Public Statement of Scope 3 Emission

We N.R. Knitting Mills Ltd. have been working with one of our customers (global brand) to understand and address our Scope 3 emissions.

We N.R. Knitting Mills Ltd. have measured our Scope 3 Category 1 and Category 4 emissions covering their product and have set a greenhouse gas emissions reduction target covering covering those emissions in line with version 1.2 of the SBTi Net Zero Standard, which supports the ambition of the Paris Agreement in limiting global temperature rise to 1.5 degrees Celsius above pre-industrial levels.

Target Details:

Baseline Year 2023,
Target Year 2030,
Emission Reduction Target- 42%
